

# HIPPOCAMPE

Pool 

Aquatic areas accessible  
to everyone

The Hippocampe Pool makes it easier for **people with reduced mobility to access aquatic and pool spaces.**

Usable in water, easy to use and hygienic **it accompanies users from changing rooms to pool areas** while avoiding multiple transfers.

The Hippocampe allows access to your pool and aquatic complex

*Swimming is the most practiced sport by people with disabilities, it allows most individuals to use their motor skills in zero gravity situation.*

Accessibility  
Innovative Security  
Rustproof Hygiene  
Handling

Parking  
brakes  
included

## Accessibility

The Hippocampe allows people with reduced mobility to move around freely between changing rooms, showers, and pool areas.

It can be submerged in water to simplify access to swimming.

## Hygiene and security

The seat and footrest cover is made of comfortable hydrophobic foam that protects its user.

With easy maintenance, the Hippocampe can be rinsed and disinfected after each use.
